CHOOSE YOUR MODEL

Available in two versions:

- **Single speed** with on/pulse/off function for simple operations

- **Variable speed** with **9 levels** for extra smooth results and emulsifying.

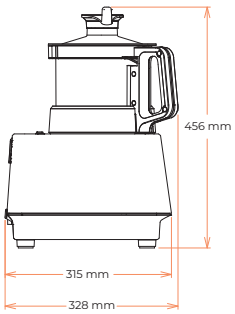

Durable and reliable, the **industrial induction motor** ensures long life and silent operations. Featuring an asynchronous, direct drive motor, it provides extra power without the need for maintenance.

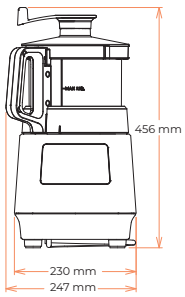

Compact, with a small footprint, easy to move around, and store away. Perfect even for the smallest kitchen spaces!
